## Ayer's Sarsaparilla

did for the invalid daughter of a grateful mother:

"My daughter had for a long time been troubled with violent headaches and sleeplessness. She was pale, had no appetite, and was losing flesh rapidly. She tried various remedies, but received no benefit until she commenced using Ayer's Sarsaparilla. After taking half a bottle she began to feel better. By a continued use of this medicine her appetite returned, her cheeks began to fill out and show color, she gained in strength, her head no longer ached, she slept better, and now says she feels like a new person."

There are many imitation Sarsaparillas.

Dr. Huntington of Hilo, one of the oldest residents in the islands is returning to the states on the Sheridan. The doctor came to the archipelago with the first expedition and has lived there continuously since in perfect health, thus disproving the reckless defamers who assert the Philippines are unfit for colonization by the white race. Though the doctor looks non-committal when asked if he intends to return, his friends confidently expect that he will hear the "east a calling" loudly ere long.

## BALL GAMES WERE NOT VERY FAST

TWO SLOW GAMES OF BALL YESTERDAY—TEAMS MAKE POOR SHOWING—ABOUT 800 PEOPLE.

The two games yesterday were not greatly enjoyed by the 800 people who went to the grounds to watch them. Both games were slow and the fans did not appreciate it so that you could notice it. It was simply a case of the strong against the weak and the weak ones had no chance at any point of the game. The result was that there were two poor games of ball and the league will have to put up better sport or the fans will only go to the games when the winter league is playing. Honolulu fans are quick to respond in order to help the ball players out but they are getting tired of such games as were played Saturday.

THE FIRST GAME.

The first game yesterday was far the better game of the two. With the exception of one disastrous inning Punahou held the H. A. C's down. But that inning allowed 7 runs which is out of all reason and gave the game to Hons by a score of 9 to 2.

The light blue uniforms were the prettiest things about the Punahou players. Aside from that there was nothing which makes the fans say "Ah-hi." However they hammered Joy for 7 hits and only got two runs. Joy passed 3 men but made up for it by striking out 12 men.

Ahrens went into the box for the Puna and he pitched good ball too and there is no mistake about it. That is, it was good for the Honolulu. He allowed something like 13 hits.

There were a few good plays in the out field but nothing startling.

THE SECOND GAME.

The second game was the limit. Maile went up into the air before the furious onslaught of the league leaders and did not come down until after it was all over and the ghastly tale of their little flight through the air read something like 11 to 0. Was it fierce? Well it came very near being. Oahu couldn't help it. They played ball but the Mailes were woefully weak in playing the game. They would go up into the air and let the Oahu run right around them.

Hampton pitched his usual game only he loaded a little after he found that the game was won. Hampton played a good fielding game in the box aside from twirling.

De Fries couldn't make much of an impression against the heavy sticking of the Oahu. The boy tried hard but it did him no good.

## MANY PEOPLE WATCH WATER CARNIVAL

THE MYRTLES TOOK THE BIG RACE—HEALANIS WON MOST OF THE OTHERS.

The naval wharfs were crowded last evening by the people who were present to see the water carnival which was given under the auspices of the Healanis and Myrtle boat clubs.

The wharfs were decorated with electric lights of different colors and directly over the slip of water which was to be used as the contesting place of the different athletes were suspended huge arc lights. These lighted up the water and made all of the events plain to the two tiers of people on either side of the amphitheatre.

The decorated boats were very good although there were not a great number of them entered. The Japanese sampans sprang a surprise on the crowd when from their decks fireworks of all descriptions broke forth. The sampans were all good.

Most of the races of the evening went to the Healanis but the relay race which was the event of the evening was won by the Myrtles. A wonderful race was the result of the meeting of these two teams. The outcome was very close, Myrtle winning by a head.

GERMANS TAKE RACE.

UNFORTUNATE AFFAIR

AT CRICKET MATCH

ONE OF THE PLAYERS HAS HIS TEETH KNOCKED OUT BY BAT—MORSE'S SIDE WON.

A most distressing accident took place on the cricket field yesterday during the cricket match that was played there. Mr. Brown, a new member of the Club, was struck in the mouth by a bat as he was keeping wicket. A number of teeth were lost in the affair and the unfortunate Brown was taken to be attended to by Dr. Herbert.

Sides were picked by C. P. Morse and
